

HP ColorChoice

Specifically for colour printing.
Highly white and super smooth.
Very opaque, it is perfect for
double-sided printing.

Excellent results on all inkjet and laser printers.

Created specifically for colour printing, it offers bold, vibrant hues and rich blacks. HP ColorChoice is ideal for documents requiring a professional look and feel: presentations, reports, newsletters, flyers, commercial proposals, invitations and certificates.

Superb color reproduction

Wide range of applications

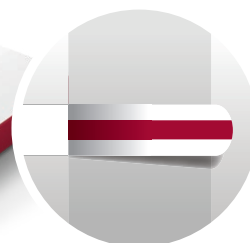

Professional look & feel
